

ENDGAME: Disclosure and the Final Defeat of the Cabal

Posted by [David Wilcock](#) | Dec 6, 2016 | [David's Blog](#) | [Jump to Comments \(258\)](#)

The Cabal is closer to exposure and defeat than ever before. The truth is blasting through the internet as a civilian-led investigation takes hold.

Does the Cabal have a final "Hail Mary Pass" to create a mass distraction and take the heat off? Could their final move actually be Disclosure?

What if this pre-planned Disclosure turns out to be far more epic and surprising than anyone could have possibly imagined?

In order to set up this story, we first have to expose exactly how rapidly the Cabal is plummeting to the earth at this time.

Then we will see they have no choice but to make their final Endgame moves.

UPDATED Same day, additional info in Bigbelly section, some new images and text at the end in red. **FINAL** as of 6:33 PM PDT, 12/6 (Same day.)

PART ONE: BY DAVID WILCOCK

INCREDIBLE NEW DATA IN THIS REPORT

Disclosure is upon us. Never before have we seen so many tangible signs of progress towards an imminent breakthrough.

The latest intel from the deepest levels of the UFO cover-up is some of the most fascinating data we have ever received.

If it proves to be true, we are right on the brink of experiencing the most significant events in all of our recorded history on earth.

Some very cosmic, world-changing information could soon be dropped upon us from an "official" level in a "Partial Disclosure" scenario.

This could potentially include the revelation of astonishingly high-tech buildings and cities discovered under the ice in Antarctica.

IN A WORLD.....

Imagine if you woke up one day to see hyper-futuristic ruins being revealed in Antarctica.

You're not seeing this on Ancient Aliens or on alternative news sites, but everywhere... on every major media platform there is.

Imagine journalists and military officials revealing these incredible findings—in videos shot on location.

An event of this magnitude could be far more distracting than any 9/11-style catastrophe.

The power elite may well be hoping that such a civilization-defining “game changer” could make any and all preceding news stories irrelevant and forgotten.

ONLY NOW CAN IT BE DISCUSSED

Corey Goode was made aware of the discovery of epic new Antarctic ruins approximately three months ago, and wasn't even authorized to tell David what was going on.

We have only just now been cleared to release this critical, time-sensitive data to the public.

Since there is a large amount of information to share, this update is definitely a Long Read—but well worth it.

In order to set up this incredible new disclosure information in Part Two, it is first important to establish the “backstory” of current events through which such a disclosure event would be seen to occur.

The full, grotesque nature of the hidden group that has been concealing the truth from us for so long is finally being exposed.

GET REAL

The 2016 presidential election was arguably the most contentious, nasty political battle in American history.

This has been well-covered by almost everyone on either side of the political spectrum, so we will not go through all the fine details again here.

In the final moments, a mysterious group called “Prop or Not” appeared out of nowhere, and issued a McCarthy-esque list of “fake” news sites, allegedly under “Russian” control.

The mainstream media acted as if this “hit list” was as significant as the invention of the wheel.

They immediately adopted the fascist, Orwellian term “Fake News” into their faltering Realnews™ products.

Each link within the [complete collection of blacklisted sites](#)—currently 200 in total—is already being blocked or de-monetized by [Facebook](#), [Google](#), [Apple](#), [Snapchat](#) and others.

[UPDATE: This is a direct, outrageous attack against truth and free speech. [Infowars responded on December 7th by publishing their own “Fake News” list.](#)]

A BIG BACKLASH

[According to Glenn Greenwald at The Intercept](#), “[Prop or Not’s] list of Russian disinformation outlets includes WikiLeaks and the Drudge Report, as well as Clinton-critical left-wing websites such as Truthout, Black Agenda Report, Truthdig, and Naked

Capitalism, as well as libertarian venues such as Antiwar.com and the Ron Paul Institute.”

A journalist writing for *New Yorker* blasted Prop or Not, saying their definition of Fake News “includes criticism of the United States, Barack Obama, Clinton, the European Union, Angela Merkel, NATO, Ukraine, “Jewish people,” U.S. allies, the mainstream media, Democrats, and “the center-right or center-left, and moderates of all stripes.”

“These criteria, of course, could include not only Russian state-controlled media organizations, such as Russia Today, but nearly every news outlet in the world, including the *Post* itself.”

Activist *Post*, one of many so-called “Fake News” sites, said, “However, it is also an exhilarating time to be a part of such mammoth upheaval, where-

The entrenched apparatus of the State itself has declared information to be its enemy—and acknowledged that it must do everything in its power to maintain its tenuous monopoly on the truth.

YOU GET TO DECIDE WHAT IS TRUTH

We are only now witnessing a more visible form of the same cover-up that has hidden UFO reality from us for over 80 years – consistently deeming all UFO sightings “Fake News.”

State-sponsored media has engaged in psychological operations or “psyops” to discredit witnesses and insiders from the very beginning.

[UPDATE: Our TV network Gaia made it onto the “Fake News” list! That’s how you know we’re the real deal! Thanks, PON, for curating a “recommended reading” list!]

The Internet has opened up an era in which we, the people, now get to decide what media we want to consume, and what we choose to believe on a day-by-day basis.

If entities like Facebook are going to suppress any links that divert from dying Realnews™ government propaganda, then we must now work harder to avoid being dependent upon them.

WHAT EXACTLY DO YOU MEAN BY “FAKE?”

By definition, the Snowden documents would be “fake” as well – yet the operations they exposed are as serious as a heart attack.

[As Global Research so brilliantly stated](#) on December 1st, 2016,

“The [mainstream media] editors and writers who produce these articles seem not even to notice that their publications have been caught in one colossal lie after another—

From the claims of Iraqi “weapons of mass destruction” used to justify the illegal invasion and occupation of Iraq in 2003,

To the more recent flood of government propaganda in support of neo-colonial wars in Libya and Syria, and drone killings in a growing number of countries—

All justified in the name of “human rights” and the “war on terror.”

There are no institutions anywhere in the world more adept at producing “fake news” than the American corporate-controlled media.”

PIZZAGATE

Realnews™ is nothing but a last-ditch effort to sway the 15 percent or so of people who still even listen to state-run corporate media.

Perhaps the single most vigorous Realnews™ target is something called Pizzagate, which has taken the internet by storm, particularly in the YouTube-watching millennial generation.

It started when specific food-related words like pizza, hot-dog, cheese, pasta, sauce, ice cream and walnut appeared with high frequency in [Wikileaks emails sent by Clinton associate John Podesta](#).

Full disclosure... this is about as far as you can go in this article without encountering some upsetting information that may be new to you.

If you get triggered by anything you read here, (which is still very mild in comparison to many of the videos,) please skip ahead to LYING THROUGH THEIR TEETH and come back to it later.

If there is any chance that these allegations are real, we owe it to the victims to be strong enough to look at the truth.

THE UNCLASSIFIED LOGOS DISCOVERED BY THE FBI

The discovery of these peculiarly-used food terms combined nicely with an [earlier Wikileaks release of an FBI document from 2007, “Symbols and Logos Used by Pedophiles to Identify Sexual Preferences.”](#)

This was also [made into a slideshow](#) shortly after its initial FBI release in 2008. We found the slideshow by inputting the code number Q-FBI-2200-005-06. It appeared in [SlideShare](#), a division of [LinkedIn](#).

Here we will use some of the slides and some images from the original legal document.

(U//LES) Pedophiles, to include those who sexually abuse children as well as those who produce, distribute, and trade child pornography, are using various types of identification logos or symbols to recognize one another and distinguish their sexual preferences. To specifically indicate the pedophile's gender preference, members of pedophilic organizations

encourage the use of descriptions such as "boylove", "girllove", and "childlove."¹ These symbols have been etched into rings and formed into pendants, and have also been found imprinted on coins.

(U) Pedophilia symbols on jewelry, coins, Web sites and other effects are indicative of advertisement methods used by child sexual predators to promote their cause. Pedophile activists advocate for the social acceptance of sexual relationships between adults and children. These organizations seek to decriminalize sexual relationships between adults and children and to legalize child pornography based on their belief that children have the ability to consent to sexual acts.

The Podesta emails went public as of October 7, 2016, and were devastating to the Clinton campaign for other reasons, at least initially.

As the Millennium Report pointed out, “John Podesta is not only the ultimate Democratic powerbroker, Beltway insider and powerful political fixer, his professional resume is both long and deep in the U.S. Federal Government.

“[Podesta] was Bill Clinton’s White House Chief of Staff back in the 1990s, Barack Obama’s Counselor to the President, and Chairman of Hillary Clinton’s 2016 presidential campaign.”

FOOD-RELATED KEYWORDS USED TO SPEAK IN CODE

Out of 2,060 total emails in the first Podesta collection, there are 149 instances of “pizza”, 73 of hot dog, 85 of cheese, 78 of pasta, 41 of sauce, 84 of ice cream and 47 of walnut.

The word “map,” which can refer to a telltale clue that could destroy the entire crime ring if left behind, such as through DNA evidence, appears 917 times.

That’s almost half of all the emails.

These words often appear in very, very bizarre contexts that have nothing to do with food. That is one key element of Pizzagate.

The term “pizza” itself appears to be code for a sexual partner, particularly if it is a minor, and again appears 149 times.

Although “walnut” appears 47 times in very strange ways, the equally popular nut “cashew” doesn’t appear even once. This is most likely because “walnut” is a code word and “cashew” is not.

An innocuous, non-code-word junk food like “French fries” only appears 13 times. “Milkshake” only appears six times.

“Vegetable” only appears 24 times. “Pear” only appears 25 times. “Grape” only appears six times. “Avocado” only appears four times. “Strawberry” only appears twice. None of these are code words.

UNDERSTAND THE CODE WORDS

“>

Law enforcement authorities and online “Urban Dictionary” resources have identified the specific terms we just mentioned – pizza, cheese, sauce, pasta, et cetera – as code words for child sex trafficking.

Code words allow people engaging in illegal activities to have a cover story in the event that their communications are discovered.

A simple, much less serious example of code-speak would be a college student referring to a bag of weed as a “book”, such as when talking on the phone or in an email about it.

People engaging in criminal activities have always been aware of surveillance, and use code terms to avoid getting caught, or at least reduce the risk.

A simple-sounding question like “Read any good books lately?” can lead to knowing laughter in cases like our hypothetical pot-smoking college students.

YOU CAN RESEARCH IT FOR YOURSELF

Pizza and other specific food terms appear in very suspicious, non-food-related ways in hundreds of different letters sent by Clinton’s campaign manager John Podesta and others. (1 , 2 , 3)

Here are three notable examples:

<https://wikileaks.org/podesta-emails/emailid/19018>

I consider ice cream, its purchase, and its consumption a rather serious business. We can’t just willy-nilly toss it out and about in casual references, especially linked with the word “free”.

<https://wikileaks.org/podesta-emails/emailid/30613>

Lo and behold, instead of pasta and wonderful sauces, it was a lovely, tempting assortment of cheeses, Yummy.

I am awaiting the return of my children and grandchildren from their holiday travels so that we can demolish them.

Hi John, The realtor found a handkerchief (I think it has a map that seems pizza-related. Is it yours?

RUNNING A PIZZA JOINT IS PART OF THE JOKE

Apparently, owning and running an actual pizza restaurant is part of the joke that they all find to be so hilarious.

Across the street from two key pizza places is a bistro called Terasol.

This means Sun-Earth in Spanish.

“Terra” is earth and “sol” is sun.

Up until recently, Terasol had the Girl Love logo prominently displayed on their website, right below a picture of a celebrity guest who just ran for President:

A French Bistro and artisan gallery

Bienvenue!

Interested in a quick visit to Paris? Reminiscent of many little bistros you will find in many neighborhoods and "quarters" of Paris, Terasol celebrates local artisans while offering a true European experience. Whether you are interested in new artistic creations, in simply sipping a nice café au lait or enjoying a gratinee, a hearty quiche or boeuf bourguignon while being serenaded by local musicians or Edith Piaf, Terasol is sure to tease all your senses.

Terasol is a dream come true, a return to textures, bringing local artisans and their crafts to our community. It is a place where the arts marry, whether of the table (arts de la table) or unique handcrafted creations and live music.

So pack your suitcase and join us!

A tres bientôt!

*Now Boarding.

Yep. It just went there. Notice also the smaller hand inside the larger hand in this same Girl Love logo.

TERRASOL SPROUTS

Two other businesses with the exact same name as Terasol, except this time with two R's in them, also had logos nearly identical to those in the FBI database.

This data pops up almost immediately when you do a Google Image Search on "terasol logo."

The first notable example is [TerraSol Organics](#), a business ostensibly selling nothing but young sprouts — microgreens — to the organic grocery market in Oregon.

Yet, their logo is very similar to the Child Lover symbol disclosed in the FBI database:

(U) The ChildLover logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.⁴

The TerraSol Organics website says, in part, "If you're interested in our bulk quantities please contact us for further information on pricing and delivery options."

This certainly does not mean they are guilty of doing anything wrong. Let's hope this is just a very unfortunate coincidence.

ANOTHER TERRASOL (SUN-EARTH) EXAMPLE... COINCIDENCE?

Another example of a symbol straight out of the FBI database immediately popped up on a Google Image Search for Terasol Logo.

This time it is the “Little Boy Lover” symbol:

**(U) BLogo aka
"Boy
Lover"**

**(U) LLogo aka
"Little
Boy Lover"**

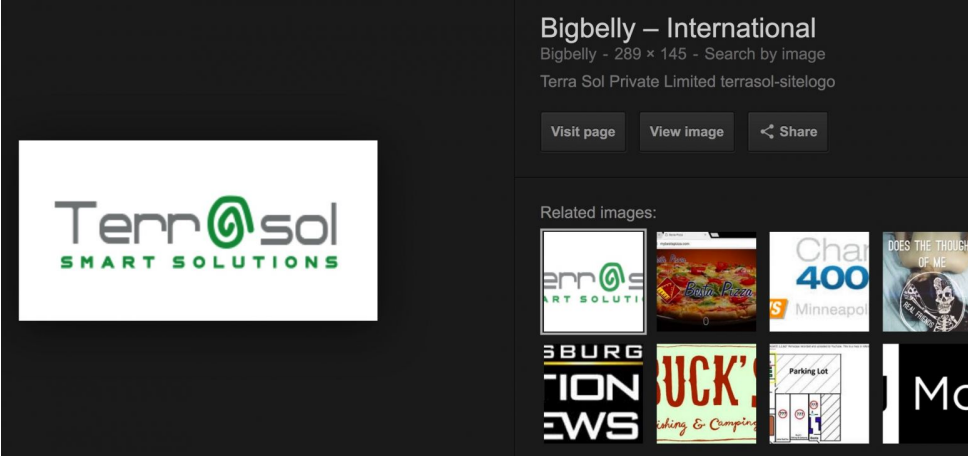

**(U) BLogo imprinted

Given the odd, repeated appearance of pedophile symbols associated with the word Terrasol, it is worthy of a deeper look.

The Cabal believes Lucifer, the “light bringer,” (Sol), has dominion over the earth (Terra.)

The Terrasol logo was linked via Google Images search to a company called [Bigbelly International](#). This particular affiliate, Terrasol, works out of Malaysia and Singapore:

WHAT IS BIGBELLY INTERNATIONAL?

The Terrasol logo with the “Little Boy Lover”-type symbol appears [under Asia Pacific / Malaysia and Asia Pacific / Singapore on this site.](#)

Based on the positions of markers in the map, Terrasol is the only Bigbelly affiliate for all of Southeast Asia.

Notice that the B in the Bigbelly logo could be a subtle representation of the breasts and “big belly” of a pregnant mother.

Why would a logo like this be used by one of the businesses working for a “Smart Waste & Recycling System... found in all 50 United States and more than 47 countries around the world?”

UPDATE: What about the four semicircles on the top of the cloud in the Bigbelly logo? Doesn't it look a lot like a big heart on the right next to a smaller heart on the left?

SECURE WASTE DISPOSAL

Bigbelly does legitimately sell trash cans that appear to be designed much better than most. Again, this may only be a very unfortunate coincidence.

They may have partnered with certain businesses and have no idea if any nefarious behavior is occurring.

It is also potentially of interest that their truck is pictured next to a movie poster for the Disney children's film *Cinderella*, which is about an orphaned child.

There is a man in what looks like a hooded black cloak, with an American flag on the sleeve and a neon vest, just to the left of the vehicle.

Above the hooded figure is the word FOREVER. Above that is the number 21 — the age where children first become legal.

To the immediate left of FOREVER is the stylized “y” of the Disney logo.

UPDATE: CINDERELLA AND FRIDAY THE 13TH

If you really want to go “down the rabbit hole” and speculate even more, the release date for Cinderella, as we see in this image, was March 13th, 2015.

That’s right... Friday the 13th.

THERE MIGHT BE A SUBLIMINAL IN THE DRESS

In my just-released blockbuster *The Ascension Mysteries*, I talk about the nearly ubiquitous presence of subliminal advertising in the media.

I first learned about it in a college class through the work of Professor Wilson Bryan Key. He revealed that hidden symbolism appears in the vast majority of all modern advertising.

This symbolism is often sexual or occult in nature. I was certain there had to be images in her dress in the poster, and it didn't take long to find it.

Her hand pulls up a wrinkle in her dress that makes an eye. The big crease along the bottom of the dress forms a warped, smiling troll mouth. The entire body of the dress below her super-small waist is the head.

The folds of the dress give it dog-like whiskers, and this is a creature that is large enough to devour her in one bite.

[Read this entire 1990 MIT article on Wilson Bryan Key's research to learn more.](#) I would have quoted almost every word of it in *Ascension Mysteries*, but hit a brick wall due to the "Fair Use" clause. Here is a sample:

"Key maintained that these messages do not appear by accident, coincidence, or as the work of an individual artist. Rather, advertising agencies spend three to five months and upwards of \$50,000 to scrutinize every detail in each advertisement, he claimed....

When asked about death themes in the ads, Key responded that "if consciously perceived, you would probably run to the nearest [Alcoholics Anonymous]," but proprietary studies have shown the ads to "work more often than they fail."

THE TEMPLAR MASSACRE

Now let's get back to the Friday the 13th release date.

On Friday the 13th of October, 1307, scores of Knight Templars were arrested by agents of King Philip and later tortured to death in what is known as the [Templar Massacre](#).

The Knights Templar are a critical historical aspect of the Cabal. Whistleblowers like Svali say the Cabal is the modern, more-disguised version of the [Roman Empire after it conquered England beginning in 43 AD](#).

All the most recent episodes of my show [Wisdom Teachings](#) have been revealing these connections for Gaia subscribers. Gaia is arguably *the Netflix of Seeking Truth* and a good antidote to Realnews™.

Your support for this grassroots organization is vitally needed at this time, and you get two new shows a week where I am helping make Disclosure happen.

We now have a visual FX team adding lots of elements to the Wisdom Teachings episodes, which have significantly improved the overall quality of the show.

March 13th is only one day before the assassination of Julius Caesar, which is only one day before the [dreaded Ides of March](#) in the Roman calendar.

As it says in the Wikipedia entry, "The death of Caesar [in 44 BC] made the Ides of March a turning point in Roman history, as one of the events that marked the transition from the [historical period](#) known as the [Roman Republic](#) to the [Roman Empire](#).[2]"

Caesar had first invaded England just 10 years before his death, in what [Historic UK](#) calls "political propaganda."

This, of course, immediately preceded the arrival of Christ, their greatest and most despised enemy.

March 13th is very close to a day associated with the birth of the Roman Empire. The Cabal very much wants to re-do this stunt again, this time calling it a "New World Order."

If you want to understand the secret, occult religion of the Cabal or "Illuminati," all roads lead to Rome. We will have more on this in Part Two.

Roman empire, Knights Templar, assassinations, orphaned children, Forever 21, a hooded figure in black... and a waste cleanup truck claiming to be the "World Leader in Smart Waste and Recycling Solutions."

ALASCOM AND VANILAE

One last thing to mention is that the Bigbelly affiliates listed for Italy (Alascom) and Lebanon (Vanilae) also have logos that may be tangentially similar to those in the FBI database.

ALASCOM is built of the same letters as CLOMAL, Child Love Online Media Activism, plus an extra S. Their logo has notable similarities to that of CLOMAL, as it appears in the FBI document.

The crescents could also subtly imply the presence of a larger and a smaller set of hearts.

As an extra bonus, the red dot is next to a white oval made by the shape of the crescents and thereby hints at an All-Seeing Eye. The two red crescents could also hint at devil horns.

(U) The ChildLover logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.⁴

(U) CLogo a.k.a.
"Child
Lover"

(U) CLOMAL a.k.a.
Childlove Online Media
Activism

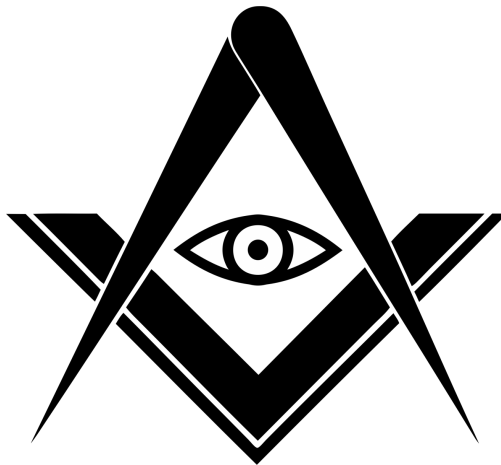

The two butterfly wings in the Vanilae logo are fairly similar to the larger and smaller pink hearts in the Child Lover logo.

The crescents appear again in their shapes as well. The inverse spaces of the circles look like an adult and a child with pointy noses facing each other.

The butterfly is a well-known symbol of Monarch mind-control programming, as many Cabal scholars have noted.

Also notice that the V and the A in Vanilae are stylized and could represent the "square and compass" of the Masonic symbol.

The second A in Vanilae has a leaf shape in it that could hint at the All-Seeing Eye.

Vanilla is also the main flavor of ice cream... which is one of the keywords that appear all throughout the Wikileaks emails in suggestive ways.

What kind of "trade" are they "uniting?"

BREAKING OUT IN A BIG WAY

The “Pizzagate” scandal was a top trending search term this past week online. Millions of people are now finding out about these horrific crimes for the first time.

Never before in modern history has any “conspiracy theory” spread this quickly. It is extremely shocking stuff and the evidence in favor of a cover-up is overwhelmingly massive.

If Pizzagate breaks through into an official FBI or NYPD mass arrest, the Cabal will be defeated right along with it – unless they have a truly magnificent distraction in store for us.

On Dec. 1st, 2016, Pizzagate was the number-one headline story on Digg.com, which presents the most viral stories on the internet each day.

This meant Pizzagate was the most popular story on the entire internet as of December 1st:

UPDATE: I just now noticed a Freudian. Read the paragraph carefully. It says “There’s physical evidence either.” The word ‘no’ is missing.

There’s physical evidence...

Perhaps the person who posted this already knew there was indeed physical evidence — or at least his or her subconscious did.

The crescents and stars in the Comet logo are familiar to Cabal scholars, as they appear around images of Baphomet, the goat-horned god.

The A-shaped wedges in which the crescents and stars appear again could imply the Masonic compass symbol.

As ugly as all of this might be, I represent one small part of an Alliance that has been trying to tell you about this for many, many years now.

In that sense it is a relief to finally see millions of people figuring out what has been going on this entire time.

A STRANGE SYNCHRONICITY OCCURRED

My second NYT best-selling book was called *The Synchronicity Key*, partly because I pay attention to unusual number patterns, which have appeared for me in surprising ways for many years.

It all started in college when I was reading about “paranormal” subjects. I would look up at the clock and see repeating digits, like 3:33 or 11:11, on the clock.

The Synchronicity Key goes into the science of how this works, with nearly 700 academic references.

When I used my screen-capture program to photograph the BBC article as Pizzagate skyrocketed to number-one on the internet, I was shocked by what I saw.

Not only was it the 666th image I had photographed, but the pixel size of the image I just took was 555 KB.

ADVERTISEMEN

Here is what I actually saw in the screen capture program. I decided not to change the name of this image from its original default, screenshot_666.

I had to use a special keystroke to capture this image:

This may not seem significant to you, and you may want to laugh at me for pointing it out.

However, this phenomenon has happened very regularly when I write articles on this site, as you can see by wading through our journalism in [David's Blog](#).

In this case I believe it was intended to show that despite these Realnews™ cover-ups, the public is now seeing the truth for what it really is.

The truly sinister aspects of the Cabal — a group engaging in occult practices controlling government and media at the highest levels — are finally visible.

Thanks to the insanity of Pizzagate, millions of people are just starting to figure out that there may be greater significance in our ancient spiritual texts than we realized.

THOUSANDS OF VIDEOS

There are now thousands of videos exposing Pizzagate on YouTube, some of which have millions of views.

One of the best videos to start with is from David Seaman on November 5th, before the subject was even named #Pizzagate.

David, the author of the above video, is a hero who was completely banned from Huffington Post after writing an article discussing Hillary's health.

Alex Jones' team at Infowars published a disturbing, short and well-researched video about Pizzagate, with good production value, on November 23rd.

It was apparently deleted and the man who did it was fired from Infowars when he tried to re-upload it. A mirror version is currently posted here.

[UPDATE NEXT DAY: This apparently was only an Internet rumor and he was not fired. Good to know.]

Another leading figure in Pizzagate videos, with above-average production value, is a British vegan girl named Tara, publishing as "Reality Calls." Red Ice featured an interview with her on Nov. 28th.

A modest investment of one hour is more than enough to realize how outrageous and shocking the evidence really is.

Symbols that are listed in an FBI database for child sex trafficking are openly displayed at a series of pizza restaurants and businesses on the same block in Washington, DC.

It therefore appears that although these businesses do legitimately sell pizza or other goods by day, they also act as fronts for child sex trafficking.

MODERN BOYLOVER MAGAZINE

We found a digital copy of [issue 14](#) of “Modern Boylover” magazine, which has no explicit pictures, while searching for the [FBI document](#) on [LinkedIn SlideShare](#).

It appears to have been saved there as further evidence to be used in investigations. It is not at all something I recommend reading due to the “creep factor”, which is off the charts.

The triangular Boylover logo appears all throughout the magazine, including the logo for KBLR (BoyLoveR) Radio:

LETTER FROM THE EDITOR

Welcome to the fourteenth issue of Modern Boylover Magazine. As always, we bring together works from various boylove forums and resources. I would like to thank the members and staff of Enchanted-Island.com for joining MBM in our efforts!

The past few years have been less than productive for the magazine, which largely falls on me. I lost my way, I suppose you could say, to the point where I gave up on myself, and MBM entirely. While many credit me for saving the magazine after the fall of BLN, RyanJames saved it after the fall of 420Guy. In organizing Issue #13, he proved to me that MBM could still continue on.

What I've always loved about the magazine is the diversity of opinions and ideas. It's about showing the world how different we all really are...how human.

Thanks to YoungCity.net, BoyMoment.com and Boylover.org for your continued efforts and support. The magazine simply would not exist today if it wasn't for you!

We hope you enjoy reading this issue, and look forward to bringing you more in 2016!

KBLR Radio - Your Boylove Pride Source

By RyanJames (DJ RyanJames)

KBLR Radio is a new online radio station with the purpose of appealing to the boylovers around the world. KBLR plays music 24/7 with a high emphasis on boy music. There are also other styles of music and we are always working to improve and expand our music selection. We allow for requests during times when the AutoDJ is playing, as well as Live Shows with BL DJs. The sole purpose is to not only give boylovers a station to listen to and be proud of, but to also give boylovers a voice in the world. Feel free to tune in any time day or night and also look for announcements regarding the live shows. Eventually we will also be having a calendar of events so that listeners can find out when their favorite DJ will be live next. We do offer listeners an opportunity to make donations as well as have merchandise for sale with the station's logo on it, with profits going back to the station for the purpose of maintaining servers, etc.

We hope you listen in and have some fun.

This is DJ RyanJames of KBLR Radio ... Good night

~Features And Profiles~

In an article about where to take your Young Friend (YF), it ends with the following, which now makes more sense:

PLACES TO TAKE YOUR YF

by Zoomzoom4

When you take your YF out to do things with him; there are many choices of places to go and things to do. Some, of course, are more suited to the interests and tastes of a young boy. When a boylover and his YF are together, much of their time, naturally, is spent doing boyish activities.

Taking your boy to a place you know he will like, and watching his eyes light up with excitement, is one of the most rewarding feelings for any of us. The opportunity to deepen your bond with him, and strengthen the relationship by building a history of shared experiences, is part of what makes for a rich, rewarding friendship.

Here are a few examples of great places to take your boy.

THE MOVIES

This is usually the first choice for someone to take their boy, since it's easy, convenient, and there's always a movie playing that's designed to appeal to boys. Getting to sit right next to your YF and share his arm-rest, or even possibly cuddle in the dark, makes an appealing choice. Also, leaning over and whispering into his ear during the movie is very enjoyable, or if he leans over and whispers to you.

THE AMUSEMENT PARK

Many boys are thrill-seekers, and hurtling through space at very fast speeds certainly appeals to a young boy's thrill-seeking nature. Sitting next to him hip-to-hip, and being strapped in together very close, while he possibly clings to you during the most intense part of the ride, is obviously nice, as well.

THE WATER PARK

Take a 10-year-old to a waterpark, and watch the boy you love enter his own personal heaven. This is probably the number one choice on the list for your YF, because it allows him to freely be one hundred percent a boy with no restraints.

MINI-GOLF

This is fun, because it allows you and your YF to enjoy a friendly competition together. Also, mini-golf is located in family-friendly areas with other attractions designed to appeal to pre-teen boys.

PIZZA

After spending the afternoon enjoying any of the above activities with your YF, finish off your day together by taking him to a pizza restaurant. If there's a single thing we all know about boys, it's that every boy loves pizza.

No matter where you go with your YF, remember that just having him by your side is all that matters, since as every boylover knows, nothing is more enjoyable than spending time with the boy you love.

THE FOX GUARDING THE HENHOUSE

One of the most shocking details of this case concerns Besta Pizza, which used the stylized "Boylover" triangle seen in the FBI documents as their logo.

You can [order the following image](#) as a print from the official [Boylover website](#) referenced in the FBI documents, but I wouldn't recommend it:

“Besta” means “Beast” in Portuguese. Once the investigation revealed the meaning of their logo, [the company changed it on their website](#), even while the original was still visible in their menu.

The image features two instances of the Besta Pizza logo. The top logo is set against a black background, showing a red diamond-shaped icon with a yellow and white geometric pattern on the left, and the words "Besta Pizza" in a blue, cursive font with a white outline on the right. Below this is a close-up photograph of a pizza topped with tomato slices, black olives, green peppers, and pepperoni. A smaller version of the Besta Pizza logo is overlaid on the left side of the pizza. At the bottom of the image, there are two white-outlined buttons with rounded corners. The left button contains the text "Call Now!" followed by a small white triangle pointing right. The right button contains the text "Order Now!" followed by a small white triangle pointing right.

POLITICS & PROSE

The newly-altered version of the Besta Pizza logo has also appeared on the [Politics & Prose Bookstore website](#), another business on the same block that has been implicated just since Pizzagate began:

Our Neighborhood

We're lucky to have some great neighbors on our block. Next time you're paying a visit to our bookstore, we recommend getting a bite to eat or drink at any of these local businesses. Click on the logos below to visit their websites and see menu options and hours.

As revealed on [Wikipedia](#), the Politics & Prose storefront has the “Little Boy Lover” logo written into the ampersand (&) symbol in the middle of the title:

THE SKULL AND CROSSBONES

These two screen captures from a Sgt Report video reveal that a skull and crossbones "death" symbol was clearly visible on the sidewalk in front of Politics & Prose as of July 2010.

This symbol was easily visible in a Google Maps Street View search:

The Skull and Crossbones symbol is also seen in the Skull and Bones society, also known as the Brotherhood of Death, which many US presidents have been members of:

THE TEMPLAR CONNECTION

Everyone knows the Skull and Crossbones is the classic “black flag” of the pirate ships robbing gold out of the Caribbean as it emerged from South America. It is also called the “Jolly Roger.”

Far fewer people know that this gold theft was all being done by the now-hidden Knight Templars after their stunning, public mass arrest.

They used their superior naval power to gather awesome wealth and bury it in “banks” along the shoreline of places like Nova Scotia.

I go deeply into the history of all of this in [Episode 189 of Wisdom Teachings, “Illuminating the Templars and the Maltese Cross, Part I.”](#)

The 32nd-degree Masonic apron features this Templar symbol as well. The 1800s-era version of the apron had a metallic skull and crossbones:

'THAT' ANDREW KLINE....

Besta Pizza and the coffeeshop at Politics & Prose are owned by Andrew Kline. And it is that Andrew Kline – the Clinton appointee overseeing the prosecution of child sex trafficking.

Kline's ownership of Besta Pizza was hidden three levels deep in government data ([1](#) , [2](#) , [3](#)), so it was not easy for civilian investigators to find.

As revealed in a [Vanity Fair article from May 24, 2011](#),

“Special Litigation Counsel Andrew Kline, a Clinton appointee with an M.A. in human rights from Harvard’s Kennedy School of Government, was one of four attorneys in the Human Trafficking Prosecution Unit of the Department of Justice, in the Civil Rights Division.

It fell upon the curly-haired, bespectacled Kline (now a senior adviser in the executive office of the president) and one other colleague to provide U.S. attorneys nationwide with training on prosecuting trafficking cases.”

If one of four highest-ranking attorneys in the DoJ responsible for arresting pedophiles is himself a perpetrator, he can help ensure that he and his friends never get caught.

According to a Guardian article from Nov. 3rd, "The currently serving FBI agent said Clinton is "the antichrist personified to a large swath of FBI personnel."

MASTER DATABASE SAVED FROM DELETION

The central nexus-point for Pizzagate research on [Reddit](#) was censored as it went viral, [as were the backups](#), but thankfully Archive.org captured it at its peak on November 22nd:

https://web.archive.org/web/20161122083118/https://m.reddit.com/r/pizzagate/comments/5da0kp/comet_ping_pong_pizzagate_summary/

Now that we have published this link, it may be censored off of Archive as well, but for now anyone can grab the data and mirror it.

All the initial, landmark Pizzagate videos were based off of the research in this thread, though additional links are continually being discovered as well.

As an example, "Ping Pong" is apparently a slang reference for sex, due to the rhythmic motion involved.

The fact that Comet Ping-Pong has many different ping-pong tables in the restaurant therefore becomes part of the "inside joke."

The Comet Ping Pong menu has a logo of two ping-pong paddles on it that looks very similar to the FBI-identified logo for Child Lover.

The wooden handles form a very clear Maltese / Templar cross, tilted sideways.

There is also a subtle suggestion of a human face that has been blindfolded — the white strip over the two circular paddles — and gagged, as seen in the X.

The "blindfold" over the paddles says "Play. Eat. Drink." This may be an acronym for PED - i.e. a pedophile. All of this, and much more, can be found in the [Reddit archive](#),

though they did not see the Templar connections.

But of course, this is just a tragic example of “how fake news is hurting real people” — so says the [New York Times](#).

Fake News Onslaught Targets Pizzeria as Nest of Child-Trafficking

By CECILIA KANG NOV. 21, 2016

James Alefantis, owner of Comet Ping Pong, at his restaurant in Washington, D.C. Fake news websites have called it the home base of a child abuse ring led by Hillary Clinton and John D. Podesta.

WHAT ABOUT THE 650,000 SEIZED EMAILS?

The greatest “plot twist” of the 2016 election was when FBI director James Comey announced that 650,000 new emails had been found on October 28th – just three days before Halloween.

Hillary’s campaign manager Huma Abedin was married to Anthony Weiner, who was caught in a months-long online sexual relationship with a 15-year-old girl.

The 650,000 emails, thousands of which were Clinton-related, were found in a folder on Weiner’s laptop entitled “Life Insurance.”

So many people who opposed the Clintons died of “suicide,” ever since Bill’s run as the governor of Arkansas, that the term “Arkancide” was coined.

Sensationally, the day before the election, Comey announced that no new evidence had been found in the emails, which have not yet been leaked.

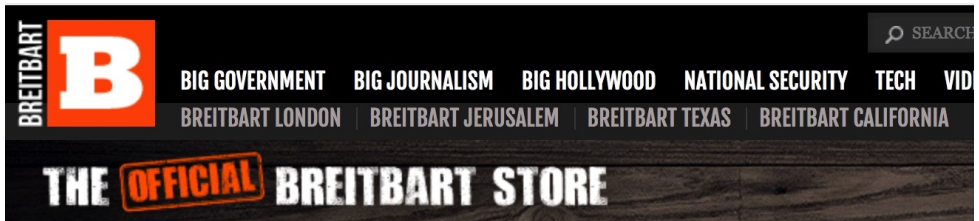

Trump blasted Comey for this ludicrous announcement. It appeared that Comey was caught in between two different groups, both giving him lethal threats.

Just three days earlier, insider Erik Prince had released a bombshell of new information from the NYPD and the FBI.

ERIK PRINCE’S STUNNING “REVEAL”

On November 4th, Breitbart News featured a massively significant article entitled “Erik Prince: NYPD Ready to Make Arrests in Anthony Weiner Case.”

Many people who formerly worked “on the inside” for the Cabal / New World Order have defected and become whistleblowers.

The image shows the top navigation bar of the Breitbart News website. On the left is the Breitbart logo, a white 'B' on a red square. To its right are several menu items: 'BIG GOVERNMENT', 'BIG JOURNALISM', 'BIG HOLLYWOOD', 'NATIONAL SECURITY', 'TECH', and 'VID'. Below these are regional links: 'BREITBART LONDON', 'BREITBART JERUSALEM', 'BREITBART TEXAS', and 'BREITBART CALIFORNIA'. On the far right is a search bar with a magnifying glass icon and the word 'SEARCH'. Below the navigation bar is a banner for 'THE OFFICIAL BREITBART STORE' with 'OFFICIAL' in a red box.

As the original founder of the Cabal's own mercenary army Blackwater, Erik Prince definitely appears to have broken away and joined what we are calling the Alliance.

In this [groundbreaking article](#), we read the following:

“Blackwater founder and former Navy SEAL Erik Prince... claimed he had insider knowledge of the investigation that could help explain why FBI Director James Comey had to announce he was reopening the investigation into Clinton's email server last week....

“[The NYPD] found a lot of other really damning criminal information [in the 650,000 emails on Weiner's laptop],... including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein.

Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times,” he said....

“The NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making in this investigation, and they’ve gotten huge pushback, to the point of coercion, from the Justice Department.”

THE EMAIL EVIDENCE IS “SO BAD”... “GREAT EVIL”

As we read further in this key Breitbart article, we hear that [the mayor of NYC wanted nothing to do with the 650,000 new emails, and the NYPD feels they are proof of “great evil:”](#)

“As for [[Bill de Blasio](#),] the mayor of New York City, [Blackwater founder Erik] Prince said he has heard that “de Blasio wants to stay away from this.”

“The [new Clinton email] evidence is so bad, the email content is so bad, that I think even [de Blasio] wants to stay away from it, which is really telling,” he said....

“For any cop that is aware of this level of wrongdoing, and they have veterans in their family... they owe it to them to stand up... and shine the light of truth on this great evil.”...

“This is stuff coming right off a hard drive that was owned by Weiner and his wife Huma Abedin, Hillary’s closest adviser for the last 20 years,” he said of the new bombshells.

“This is not from some hacker or anybody else. This is a laptop seized from a warrant in a criminal investigation.”...

“This kind of evil, this kind of true dirt on Hillary Clinton – look, you don’t have to make any judgments. Just release the emails,” [Erik Prince] urged.

“Just dump them. Let them out there. Let people see the light of truth.”

WHAT ABOUT BREITBART?

[On February 4th, 2011, Andrew Breitbart tweeted](#), “How prog-guru John Podesta isn’t [a] household name as [a] world class underage sex slave op cover-upper defending unspeakable dregs escapes me.”

Then, a year later, all throughout February 2012, Breitbart telegraphed the release of a video that he said would appear on March 1st.

This video, he claimed, would be severely damaging to Obama’s re-election campaign. [“Wait till they see what happens March 1st,” he said.](#)

[Right before the anticipated release, on February 28th, 2012, he tweeted](#), “How much longer until they kill me (“heart attack” or “car accident”) or frame me for a crime? Read me while you can.”

Andrew died of an alleged heart attack on March 1st, 2012—just two days later. Coincidence?

[The coroner who conducted the investigation died of arsenic poisoning just two months later.](#) It’s not that hard to figure out what happened here.

Blatant stunts like this are intended to scare people off, so they fear the seemingly limitless power of the “monster under the bed” and retreat back into the safety of

silence... and ignorance.

WILL STEVE BANNON PURSUE JUSTICE?

Steve Bannon took over Breitbart News after Andrew's death, becoming Executive Chair in March 2012.

It is therefore very interesting that Trump appointed Bannon to a cabinet-level position as his chief strategist and senior counselor.

Realnews™ outlets are in an all-out panic about Bannon's new role, [doing everything they possibly can to demonize him](#).

Bannon does have character defects. The media is amplifying them to the point where it seems as if that's all there is to see.

However, Bannon's appointment also makes it very likely that Pizzagate arrests will take place some time after the inauguration on January 20th.

On November 22nd, [Trump announced that he will not prosecute Hillary himself](#). He won't have to. The NYPD and the FBI will probably do it for him.

Our insiders have revealed that if any action were to be taken before the inauguration, Obama could issue pardons to stop prosecution from occurring.

Hence, we are in an agonizing "holding pattern" between now and then.

THE TWO BIGGEST MISSING PIECES

[The archived Reddit thread](#) has much of the initial Pizzagate evidence that generated countless legions of YouTube videos, marching to defeat the Cabal.

Here are the two biggest things missing from the Reddit Pizzagate thread that are likely to be relevant:

1. The owner of Comet Ping Pong's name, James Alefantis, appears to be a pseudonym cipher designed to resemble "J'aime les enfants," which means "I love children" in French;
2. The character who performed at Comet Ping Pong wearing a red ski mask, black sunglasses and a blonde wig, "Majestic Ape," appears to be James Alefantis as well.

James Alefantis is still listed on GQ as the 49th most powerful person in Washington DC at the time of this writing: <http://www.gq.com/gallery/50-most-powerful-people-in-washington-dc#49>

The hands of Majestic Ape, as seen in the [music videos](#), are clearly male. They have the same size and shape as those of Alefantis, and have no hair, just like those of Alefantis.

The mouth that we see through Ape's mask looks exactly like Alefantis' mouth, including the thin lips, noticeable indentions around the philtrum below the nose, and the shape of the corners.

Furthermore, the voice of Majestic Ape, while [speaking through the vocoder](#), sounds exactly like a pitch-shifted version of Alefantis' voice.

REALLY HORRIBLE STUFF

Alefantis' once-public Instagram posts included an image of a baby hashtagged as "hotard," and a man wearing a shirt saying "J (heart) L'Enfants" (I love children.)

If that's not enough, how about a creepy all-steel freezer hashtagged "killroom" and "murder", or a child with her wrists duct-taped to a ping-pong table.

These are only a few of the many disturbing Instagram images that are featured in so many of the Pizzagate videos.

We are not going to post them here, since almost every website that does is suffering aggressive takedowns.

Murals on the walls of Comet Pizza included painted images of women holding the severed heads of children—and winged demons.

The videos also report that a mural in the bathroom had a demonic image that said "Shut Up and F—," which is very inappropriate for a child-themed restaurant.

Those images have since been scrubbed off the walls, as a [video confrontation with James Alefantis](#) revealed on November 22nd.

Alefantis claimed the images had been removed five years ago, but that still doesn't answer the question of what the heck they were doing up there in the first place.

"FINISH EATING YOUR PIZZA AFTER YOUR SESSION"

Hackers on 4Chan claimed to have found a [secret area of encrypted videos on the Comet Pizza website's server](#).

Although they could not de-encrypt the videos, [they were able to extract an image with text on it](#) that provided instructions to those who were accessing the videos.

The instructions used code language to discuss an app that viewers would download and use one time only.

Here it is... if you can handle reading it:

For the newcomers-

Last month's satisfied customers were raving about our "pizza" and we know you will too! Repeat customers know the drill. For newcomers, first run the program given to you by your special friend and all instructions on how to enjoy this joyous hobby will be easily understandable. But please, remember the penalties for breaking the rules, which are also included in the program. Very few have broken the rules, and needless to say the penalties are harsh. All pricing is included in the app. The app will only run once and the following requirements must be met:

- The app is to be run from your own personal computer that only you have access
- Your computer must be connected to the Internet when run
- The app must be run from your home
- You must destroy the media on which you received the app
- Remember the password that will activate the app as there will be no icons on your computer

November newcomers: 0

November's specials-

This month we have 5 fresh pizzas for your enjoyment. We also have 4 surviving pizzas from last month's session, all are on sale at an extremely low price, as they are in poor health and not expected to survive a requirement is that you finish eating your pizza after your session.

This month's special includes a 30% discount on severe torture! Each image below is available for \$1,000 in fine print. Andrew also has some prints he would like to sell so contact him for more info (they are true masterpieces).

The text from the image, if it is proven true, [would be extremely damning in a criminal investigation](#):

"This month we have five fresh pizzas for your enjoyment. We also have four surviving pizzas from last month's session.

"Our requirement is that you finish eating your pizza after your session....

This was [covered by Infowars reporter Joe Biggs and Sgt Report](#), among others.

When the disclaimer said "each image below is available for \$1,000 in fine print," you most likely have to add a zero to get the price they are charging for a captured child.

MAJESTIC APE VIDEOS... EVEN WORSE

The single most disturbing aspect of Pizzagate—perhaps even worse than Alefantis' insanely offensive and evil Instagram posts that were public until this started—are the videos of Majestic Ape.

The name "Amanda Kleinman" is a distraction, as [Majestic does not look or sound anything like her](#).

“Majestic” is also a code term for high-level government secrecy, as in Majestic-12 or MJ-12, the group allegedly behind the UFO cover-up since at least the 1950s.

An insider also revealed to Wilcock that the name “Majestic” refers to Her Majesty, the queen of England, who is a key figure in the Cabal controlling UFO secrecy.

Two tapings have emerged so far of Majestic joking about raping and murdering children and babies on the Comet Pizza stage—which again is owned and run by James Alefantis.

[In the main live video that has been quoted in so many Pizzagate videos, at 1:18](#), Majestic also says,

“We are here to celebrate the birth of our Lord.

“It wasn’t Christmas.”

SASHA LORD

Other than a possible satanic reference, Majestic appears to be joking about an employee named [Sasha Lord](#), who was celebrating a birthday.

[Sasha is the music Booker for Comet Ping Pong](#). Majestic’s thinly-veiled references, as quoted in the next section below, indicate Sasha may also work there as a prostitute.

[The posters of Comet’s music acts on Sasha’s webpage contain multiple disturbing images.](#)

This includes the Illuminati pyramid, All-Seeing Eye, pentagrams, children, a creepy owl face that could be the god Moloch, and a cartoon decapitated corpse.

[Sasha’s page on Comet Ping Pong](#) brags about the restaurant having “rough concrete walls, bathrooms hidden behind secret panels, and table tennis galore.”

VERY STRANGE STUFF

[At 1:30 in the stage rant video, Majestic says](#), “If you are like me, you love Sasha. Or if you don’t, you want perks from her. (Laughs) Things like free pizza. (Audience Cheers)”

[Very soon after at 2:16](#), he says, “Have any of you enjoyed this special pizza here tonight called the Hottie?... If you haven’t had it, you should try it, it’s delicious.”

He then goes on to joke that the secret ingredient in “The Hottie” is ketchup – a possible reference to the blood of a sacrifice victim.

He also jokes about Sasha’s great grandfather inventing “Russian dressing, you put it on a salad... s-k it!” Sauce is one of the code words. “Salad” is sexual slang for the pubic area.

[This short three-and-a-half-minute video](#) presents the most disturbing part of the 12-minute Majestic Ape video rant above, where he jokes about “euthanizing” a newborn baby... his own.

[Starting at 5:22](#), he rants that before the era of Facebook, he was worried that he was infertile. He then impregnates Sasha, and kills the baby as soon as it was born.

The audience gets very uncomfortable at this point, as if he was much too high to realize what he was saying, and quickly pressures him to change the subject.

DON'T WATCH THE VIDEOS IF YOU LIKE TO SLEEP

Even worse are the [music videos of Majestic Ape](#), which are loaded with satanic and pedophile symbols and include [grotesque murder scenes](#) at the end of "U the One I Want."

The video for "Airtight" appears to include a veiled offer for child sex trafficking as well as porn, disguising it as the sale of record albums and a "live, in-person performance."

The dollar values in "Airtight" are probably encoded, and require an extra zero to properly decipher. The "live performance" is offered in the video at 1000 dollars.

The website <http://ww3radar.tumblr.com/> made the obvious Alefantis / Majestic connection, with comparison photos.

All of those photos were deleted just two days after we first located them. This makes it even more likely that there is a legitimate connection here that powerful people do not want us to find.

VERY NASTY STUFF

Some extremely disturbing links were associated with these images on WW3Radar, including a mock "snuff film" starring a clothed female who may possibly be Sasha Lord.

This video appears on a [page from someone called "Montagraph"](#) and is entitled "[Little Piggy and the Umbrella Man.](#)" In all honesty, don't watch it.

The violent, psychopathic torturer in this video wears a black-and-white checkerboard mask.

This is a Cabal symbol that appears on the floor of a Masonic lodge, indicating the interplay of negative and positive.

Similarly, it is much easier to decipher the “14 Fish” symbolism on Podesta’s hands than most of the YouTube videos think.

14 is the number of dismembered body parts of Osiris, which the Cabal sees as Lucifer, the left-handed path. The fish is the symbol for Christ, the right-handed path.

Notice they are on the opposite hands. The Cabal believe that both paths must be practiced to their fullest extent in order to achieve enlightenment or “Illumination.”

Many YouTubers have noticed the bandage on the “middle finger of his left hand,” exactly as Marina Abramovic recommends you wound with a knife in her [Spirit Cooking ceremonies](#).

ROBERTA'S PIZZA...

Hillary has claimed that her favorite restaurant in New York is Roberta's Pizza, and [their Instagram page is practically bursting with sinister Cabal images, as this video reveals.](#)

Again... we urge you not to look into any of this disturbing material unless you have a very strong stomach and some real time to process the emotional shock you will experience.

According to Alex Jones, grown men working for the FBI would cry when they saw the evidence in the seized Clinton emails, and were so scared they walked away from the case.

MILEY CYRUS AND PIZZA

On December 15, 2014, [Life & Style Weekly](#) wrote, "If you follow **Miley Cyrus** on Instagram, you've probably noticed that the 22-year-old is weirdly obsessed with **pizza**

Miley Cyrus Obsessed With Pizza Though She Once Claimed to Have a Gluten & Lactose Allergy — Plus 5 More Celebrity Hypocrites

If you follow **Miley Cyrus** on Instagram, you've probably noticed that the 22-year-old is weirdly obsessed with **pizza**. Like, almost every other post is pizza-related.

Cyrus has created countless Photoshopped images of herself with pizza—including an [ultrasound of a baby made out of pizza in a mother's womb](#).

[The Life & Style article leads](#) with a picture of Miley's head on a swimming baby, with her tongue out, licking at a piece of pizza on a fishing hook.

We are not going to include these images here, just so the overall look of this article is a little less disturbing.

[A Google Image search of "Miley Cyrus pizza" generates countless examples](#). Many of these images again suggest a highly sexualized environment around pizza.

Cyrus started out as Hanna Montana, a children's hero with Disney's top-ranked show.

Then, before she was even of legal age, she shape-shifted into a hyper-sexualized figure revealing countless examples of Cabal symbolism in her videos.

UNDER ATTACK BY SATAN

In 2011, Miley's father Billy Ray Cyrus told GQ that [his family was under attack by Satan](#), and he was scared for his daughter.

In 2015, Miley dressed up as a hyper-sexual baby, complete with a pacifier and baby clothes, in her video BB Talk.

[The UK Independent deemed this "the most disturbing music video of 2015:"](#)

"Look, it's probably not worth explaining all the different levels on which an adult woman dressed as a giant baby, sucking her own toes while singing about intercourse,

is disturbing....

But, really, did we need to take the imagery to such a nightmarish level?"

KATY PERRY AND PIZZA

Katy Perry is also obsessed with pizza in her music videos. In ["This Is How We Do,"](#) it goes to quite an extreme:

"Thankfully, today Katy and her team released [a behind the scenes \(BTS\) video](#) featuring the making of "This Is How We Do," which gives us the deets on the pizza bathing suit and more. So much more....

Our favorite reveal of the BTS video had to do, of course, with [Pizza Perry](#).

We were already well-aware of her pizza earrings and bathing suit, but there was more pizza. Pizza we didn't know about.

PIZZA NAILS."

MTV WRITES ARTICLES ABOUT KATY PERRY AND PIZZA

Similarly, MTV.com had an article entitled "[Katy Perry's Dedication to Pizza Onesies Makes Our Hearts Melt:](#)"

"Yesterday, KP tried to climb the Philadelphia Museum of Art stairs *Rocky* -style (bless her heart), but got bombarded by fans before she could reach her destination.

(We're guessing sporting head-to-toe cheese *might* have had something to do with it.)

[Find out how to smother yourself in pizza like Katy Perry See Katy wrestle a dog in a pizza costume.](#)"

In this [next article](#) from MTV.com, "Smother Yourself in Pepperoni Pizza Like Katy Perry," we read:

"It's no secret that [Katy Perry](#) is *obsessed* with pizza.

She's been spotted [wrestling a dog in a pepperoni onesie](#) , taking a nap under a slice of the [cheesy stuff](#) , and one time, she even ate an [entire pie while hangin' in a bathtub](#) ... by herself.

(That's love, y'all.)"

THIS IS MORE COMMON AMONG "CELEBRITIES" THAN YOU MIGHT THINK

Miley Cyrus has also been [photographed wearing the same "pizza onesie"](#) and having a [pizza comforter on her bed](#).

Twist Magazine published a 14-part slideshow of celebrities, including Beyonce and Cara Delevigne, wearing outfits that are styled like pepperoni pizza.

"Some of your other favorite stars, including [Jake Miller](#), [Victoria Justice](#) and [Selena Gomez](#) have all been spotted proudly wearing pizza-themed outfits!

Click through the gallery to see the fun pics! Just a warning: you might get a little hungry after seeing these clothes."

For some reason, every outfit and image like this is made of pepperoni pizza – almost never just with cheese alone or with any other toppings.

The pepperoni itself could have an implied phallic connotation.

ELIJAH WOOD'S ACCUSATION

On May 23, 2016, Lord of the Rings lead actor Elijah Wood said Hollywood's biggest problem has always been pedophilia.

These allegations were covered in [Variety](#), the top Hollywood magazine, among other sources such as the [Sunday Times](#).

Elijah Wood Says Hollywood Has a Pedophilia Problem

Alex Stedman
News Editor, Variety.com
[@a_sted](#)

2016-2017 OSCAR PREDICTIONS

Let's now read excerpts from Variety, as they are highly relevant:

"The actor, in a new interview with the [Sunday Times](#), is accusing Tinseltown of having a pedophilia problem, saying "a lot of vipers" are preying on children in the business.

"Clearly something major was going on in Hollywood. It was all organized. There are a lot of vipers in this industry, people who only have their own interests in mind," he said.

"There is darkness in the underbelly... People with parasitic interests will see you as their prey...."

He added that he's been "led down dark paths to realize that these things probably are still happening."

Amy Berg's documentary "An Open Secret" revealed the full scope of the problem, and was completely squashed by the Establishment after its premiere.

It was only shown in nine theaters in Denver and Seattle starting on June 5th, 2015, and was quickly removed.

It eventually got distribution by cutting it from an R to a PG-13 rating, long after the "buzz" had worn off.

However, it now seems to be impossible to find, except through bootleg copies on YouTube.

MACAULAY CULKIN'S BAND "PIZZA UNDERGROUND"

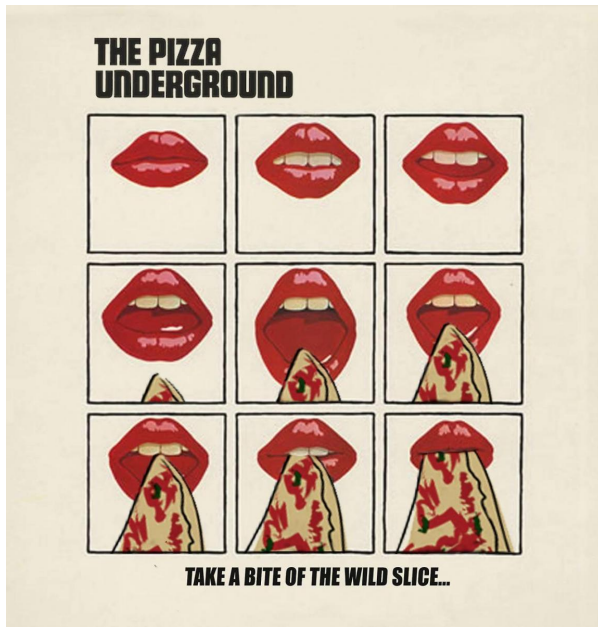

Macaulay Culkin was one of Hollywood's most visible child actors in the 80s, such as through the "Home Alone" movie series.

In 2012, he formed [Pizza Underground](#), a band singing Velvet Underground songs where the lyrics were changed to be about pizza. Velvet Underground openly advertised heroin use in many of their songs.

[Pizza Underground](#) released a music video in 2013 and actually toured North America with this odd concept. They wanted all interviewers to submit pizza-related questions only.

Eugenia Williamson, a freelance writer working for top publications, decided to submit her five pizza-themed questions – and included sexual innuendo in them, such as a sausage sitting on a pizza.

Her questions then featured what she admitted to be “increasingly inappropriate” references, such as to Michael Jackson’s Neverland Ranch.

Many believe Macaulay Culkin may have experienced child sex there.

[An enormous backlash from the media occurred](#), nearly ruining Williamson’s life in the process:

“Civilians, journalists, famous comedians like Nikki Glaser, comedy fans: all came out against me, saying I was bitter, a failure, jealous, fat, a terrible journalist, a terrible person, a b-h, an a-hole,... that I would rot in hell, that nobody would ever take me seriously again...”

“Since PizzaGate, I have formulated my own story about why those 300 words caused so much antagonism.”

PIXAR AND “PIZZA PLANET”

[Every single Pixar film since 1995, except “The Incredibles,” has had a “Pizza Planet” delivery truck hidden in it, as this video montage reveals.](#)

This again suggests a long-standing "inside joke" about pedophilia from the highest levels of Hollywood.

Pixar, of course, makes cartoon-like children's films with the top-of-the-line computer graphics in the industry.

This was once considered just an interesting “Easter egg,” but after Wikileaks and Pizzagate, we have to rethink everything.

TEENAGE MUTANT NINJA TURTLES

Another weird connection that has since emerged is from the Teenage Mutant Ninja Turtles.

The secret to the Mutants’ super-strength came from eating pizza, much like Popeye once acquired from spinach.

Sexual trauma can be used to create MK-ULTRA compartments in the mind. Pizza now appears to symbolize this trauma, in part.

Once the programming is introduced, it can be used to train assassins who develop unusually powerful abilities – just like the Mutants.

The whistleblower Svali talked about this back in 2000-2001, before she went quiet. [We only found out she was still alive as of May 16, 2015.](#)

If you attempt to search for her on Google, the name "Svali" is automatically changed to things like "sivilli" or "civil" unless you manually force Google to use that exact term.

Just go to svalispeaks.com for a collection of the majority of everything she wrote. Still to this day, it is the most far-reaching expose' on the Cabal we have ever seen.

All of the things you are reading about here are discussed in thorough detail, though she never covers the use of food code words.

HIGHLY UNUSUAL INGREDIENTS

As Peter Pham noted for Foodbeast in 2014, [many of these Mutant Ninja Turtle pizzas had highly bizarre ingredients that you would never expect in real food.](#)

"One of the things that stuck was all the ridiculous pizzas Michelangelo and his brothers would order throughout the series."

[This video contains a montage of many of the strange pizzas that were made.](#) Many of them include unusual sauces.

Pepperoni and hot fudge

These sauces include butterscotch, clam sauce, chocolate fudge sauce, whipped cream, hot fudge, yogurt and anchovy sauce.

Sauce is one of the code-word references that appears in very strange ways throughout the Podesta emails.

Other sexual innuendoes hidden in the strange pizza toppings might include [tuna fish](#), [clams](#), [pickles](#), [pepperoni](#), [jelly beans](#), [salami](#), [sausages](#) and [banana](#).

Peter Pham created real mockups for "24 of the most disgusting pizza orders from the show," obviously having no idea of the code that has since been uncovered.

UPDATE, NEXT DAY: MARY-KATE AND ASHLEY OLSON IN "GIMME PIZZA"

A video has surfaced of Mary-Kate and Ashley Olson, at about age 6, doing a [rap music video](#) entitled "Gimme Pizza" with three other girls of the same age.

Almost every single code word we mentioned in this article, as well as "chicken", which we did not include, appears as toppings they say to put in the pizza.

At 1:17, one of the girls says "Whipped cream pouring like waterfalls" as she is discharging it out of a can.

[The full list of toppings include:](#)

Chicken, guacamole sauce, meatballs, whipped cream, sausage, ice cream, fish, chocolate sauce, Oreos, marshmallows, caramel coconut cream, egg foo young, chicken tongue, eyeballs, rice, mashed potatoes, fried green tomatoes, spaghetti, pasta, fish sticks, ketchup, meat loaf and tacos.

A majority of these terms are either direct code words or could be seen to match the innuendoes we have already covered.

The comments on this video, now with over 4 million views, show that countless thousands of people are putting all of this together now.

PODESTA'S UNDERGROUND CHAMBER

We've all heard about artists who suffer for their work. Tony Podesta and his wife Heather Miller, suffer for other people's. When they bought a 2,000lb Louise Bourgeois sculpture for their home in Washington, for instance, it required substantial renovations to the building. "We had to get a structural engineer in to sort out what sort of support it needed," says Podesta. "And we not only had to build support underneath where it was going but temporary support from the point at which it entered the house to the point at which it was placed. I don't think it'll ever leave."

<https://www.theguardian.com/culture/2004/apr/20/usa.world>

"[The Podestas] are known for purchasing "awkward" works, such as video installations, that many other private collectors will not consider.

"It's easy to store them, but difficult to display them," says Podesta.

To get round the problem, he and his wife have excavated a huge subterranean vault beneath their house outside Washington.

[It is] a white space 5m square and 4m high in which it will be possible to show "very complicated video pieces" on all four walls.

In a Wikileaks email from January 31st, 2014, entitled "Last night was fun," Tony Podesta wrote to his brother John,

"Still in torture chamber. Another question. Do you two wanna have feb 14 valentines day dinner?"

Dinner, of course, has a whole new connotation in light of the code words we have now discovered.

LYING THROUGH THEIR TEETH

As David has been saying for years now, in dealing with the darkness that exists in the Cabal, "If you throw up, you will feel better."

We were never sure exactly how the Cabal would break down. The absurdly negative details of Pizzagate have finally activated the full fury of the public.

As Pizzagate went into overdrive, the [BBC](#) joined [NPR](#), the [New York Times](#) and [other Realnews™ outlets](#) in blatantly ignoring the voluminous evidence that exists – and lying through their teeth.

Alefantis is being interviewed as the sorry victim of a vast "internet hoax" of "fake news" with "[no evidence.](#)"

This was the BBC article that lived on the top of Digg.com for all of December 1st:

<http://www.bbc.com/news/blogs-trending-38156985>

"No victim has come forward. There's no investigation. And physical evidence? That doesn't exist either.

But thousands of people are convinced that a paedophilia ring involving people at the highest levels of the Democratic Party is operating out of a Washington pizza restaurant."

FAR MORE THAN ENOUGH EVIDENCE FOR CRIMINAL PROSECUTIONS

Coming face-to-face with this truth is very upsetting, and may require significant time for you to integrate and process.

Wilcock wrote extensively about Cabal pedophilia in Section Three of Financial Tyranny, nearly five years ago now on January 13, 2012.

This included an expose' of the North-American Man-Boy Love Association, or NAMBLA.

David was specifically asked to release this data by the Alliance, despite his own personal reservations.

There is far more than enough evidence for Pizzagate to lead to arrests and criminal prosecutions already.

This is going to happen soon, so [please don't take the law into your own hands](#), as was done on December 5th when a man brandished a rifle inside Comet Pizza.

[**UPDATE:** As commenters have noted, he was an out-of-work actor with an Internet Movie Database (IMDB) page, suggesting he may have been paid or influenced to do it.]

The Cabal will do just about anything to suppress the exposure of pedophilia and child trafficking at the highest levels of Western society.

THE ALLIANCE

David Wilcock was briefed on the Alliance that is working to defeat the New World Order / Cabal or so-called "Illuminati" in 2009, by the high-ranking insider Pete Peterson.

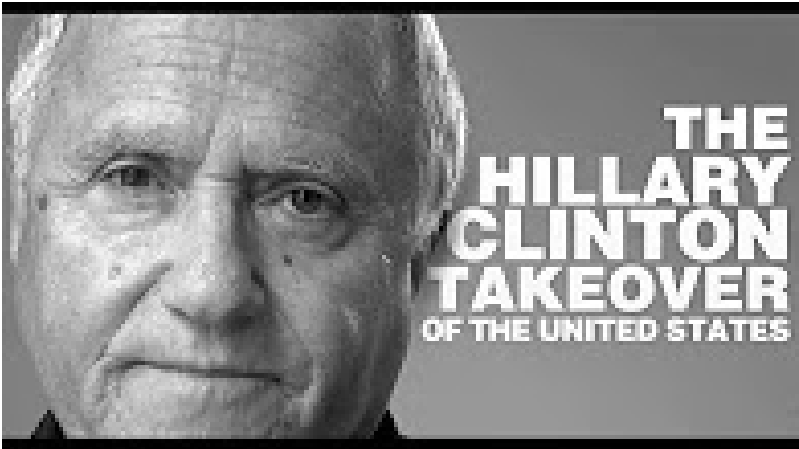

Corey Goode had anonymously mentioned the Alliance in discussion forums for years, and publicly joined forces with David early in 2015.

We have jointly been discussing the reality of the Alliance ever since - [including through our weekly Gaia show Cosmic Disclosure](#), which has significantly more viewers than CNN's own Realnews™ programs.

The evidence in favor of the Alliance's existence is ever-increasingly obvious. Wikileaks is a major example.

[The Inquisitr website](#) was one of many sites to report on the latest astonishing, public revealing of the Alliance - which occurred just before the 2016 presidential election.

They reported on how Dr. Steve Pieczenik arrived on the scene, giving an official face and voice to the Alliance we have been disclosing all these years.

DR. PIECZENIK ON THE ALLIANCE

Here is an excerpt from the November 2nd article in the Inquisitr on this astonishing breakthrough.

<http://www.inquisitr.com/3668815/former-state-department-official-steve-piecznik-may-have-made-the-most-important-announcement-in-american-history/>

“Dr. Steve Piecznik has made a series of serious accusations on YouTube that, if proven true, will easily be the most important ever made in American history....

[Piecznik is] a Harvard Ph.D. and was Deputy Assistant Secretary of State under Henry Kissinger, Cyrus Vance and James Baker....

He also served the presidential administrations of Gerald Ford, Jimmy Carter, Ronald Reagan and George H.W. Bush.

[He] has been **called** “one of the most ‘brilliantly competent’ men in the field of terrorism” by Pulitzer Prize-winning journalist Mary McGrory.

Tom Clancy has literally based books on this guy’s experience....

In the first **video** he released yesterday, Dr. Piecznik announces that he [represents] a broad coalition of many individuals in the FBI, the CIA, military intelligence, and men and women in 15 other intelligence organizations.

[They] are engaging in a bloodless counter-coup against the “soft coup” that he says the Clintons, the current administration and many other top government officials have enacted [through overtaking the judiciary and many other American institutions]....

He also said he and his friends are the source of the leaked emails that WikiLeaks has been releasing, which would corroborate what award-winning human rights activist Craig Murray said after his friendly visit with Julian Assange two weeks ago.

"I can tell you with 100% certainty that it is not any Russian state actor or proxy that gave the Democratic National Committee and Podesta material to WikiLeaks."

And in his [second video](#), Pieczenik delivered a shocking message: according to him, **Hillary Clinton is about to be charged not only with obstruction of justice, but also with sex with minors.**

According to Dr. Steve Pieczenik, both Hillary Clinton and her husband have sex with underage children, and he says they have proof."

">

LET'S READ THE TRANSCRIPT

Here is an excerpt from the transcript of Dr. Pieczenik's own words. This is tantamount to the largest public revealing of the Alliance yet.

Steve Pieczenik 11/2 Partial Transcript

<http://www.godlikeproductions.com/forum1/message3348291/pg1?disclaimer=1>

"The Clintons have been involved in co-opting our Whitehouse, our judiciary, our CIA, our FBI, our Attorney General, Loretta Lynch, and our Director of the FBI, James Comey for some time now....

However, in order to stop this coup we in the intelligence community and others involved have informally gotten together.

With their permission, I am beginning to announce that **we've initiated a counter-coup through Julian Assange and Wikileaks.**

I am just a small part of something far bigger than myself.

It was the brave men and women who were in the FBI, CIA, the Director of Intelligence, the military intelligence, and the men and women in fifteen other intelligence organizations who were sick and tired of seeing this corruption in the Whitehouse, justice department, and the intelligence system.

We decided there was something we had to do in order to save the republic."

A MUCH GREATER CONFLICT

It is deeply gratifying for the Alliance to have finally produced a spokesman who served in multiple US administrations.

We are still only seeing the very beginning of a full disclosure process. Ultimately we will discover the truth of a cosmic battle for the survival of the human race on earth.

The Cabal that is now openly branding their opposition "Fake News" has been suppressing the truth of UFOs for well over 80 years.

Any type of formal disclosure, such as of super-advanced ancient ruins in Antarctica, would be a massive game-changer that could create enormous distraction.

It does appear that the Cabal has been holding onto this "card" all along, and may be about to play it.

THE PODESTA / DISCLOSURE CONNECTION

On May 9th, 2001, Dr. Steven Greer brought 39 whistleblowers forward at the National Press Club in Washington DC, in an event entitled The Disclosure Project.

It was hoped that this would lead to a formal acknowledgement that we are not alone. The movement was gaining steam up until it was wiped out by the distraction of 9/11 a few months later.

On February 13, 2015, [UPDATE: Which also happens to be Friday the 13th,] Podesta tweeted:

"Finally, my biggest failure of 2014: Once again not securing the #disclosure of the UFO files. #thetruthisstilloutthere". This ignited a firestorm on the internet.

The next day, February 14, 2015 (Valentine's Day), Disclosure Project chair [Dr. Steven Greer](#), a Washington DC local, made the following announcement on his website:

BREAKING NEWS - OBAMA ADVISOR SPEAKS OUT ON DISCLOSURE

Written by Zachary on February 14, 2015 · [Leave a Comment](#)

BREAKING NEWS:

"Senior Obama Advisor and Clinton Chief of Staff John Podesta regrets that he has not been able to effect official UFO Disclosure.

Dr. Steven Greer is now confirming for the very first time that it was John Podesta to whom he provided the extensive briefing on UFOs shortly after President Obama took office in 2009 (see cover letter to President Obama (<http://siriusdisclosure.com/wp-content/uploads/2012/12/obama-briefing-introduction.pdf>)).

"Dr. Steven Greer is now confirming for the very first time that it was John Podesta to whom he provided the extensive briefing on UFOs shortly after President Obama took office in 2009.

(See cover letter to President Obama (<http://siriusdisclosure.com/wp-content/uploads/2012/12/obama-briefing-introduction.pdf>).

"Dr. Greer states: "An attorney working with Mr. Podesta requested the briefing and we assembled an extensive file for Mr. Podesta to provide to the newly- elected President Obama.

"There was also support for this process from a senior CIA official who is friendly to Disclosure and the briefing was also provided to then-CIA Director Leon Panetta."

"Mr. Podesta came out publicly in support of Disclosure the year after the historic [2001 National Press Club Disclosure Project](#) event, organized by Dr. Greer.

"Dr. Greer continues, "We are encouraged that Mr. Podesta remains a stalwart supporter of Disclosure and we continue to advocate for the release of illegally classified information and technology related to UFOs. "

THE HAIL MARY PASS

The Cabal may well use Disclosure as their final Hail Mary pass when they are on the brink of defeat – which now appears to be very imminent.

A Hail Mary Pass is where an American football player throws the ball across most of the entire field—in a desperate attempt to score a game-changing touchdown with no time left on the clock.

In this case the football may just look a lot like a flying saucer. The Wikileaks emails have now revealed intriguing Disclosure-related connections.

This includes [communications between Podesta and Apollo astronaut Edgar Mitchell](#), a staunch Disclosure advocate, as well as the Blink-182 frontman Tom DeLonge. Blink-182 was one of the most famous bands of the 1990s.

DeLonge has claimed to be in contact with “at least ten” different high-level insiders who are feeding him classified information.

Based upon the contents of DeLonge’s truth-disguised-as-fiction book *Sekret Machines*, it appears he is being fed the talking points of what we have called the “Partial Disclosure” scenario.

More on that as we continue.

THE VILLAINS AND THE ALLIANCE

In the case of a Full Disclosure event, everyone will find out that the villains in our cosmic storyline are far more evil than most people could have ever imagined.

The villains include highly aggressive and negative extraterrestrials who have formed complex partnerships with Cabal / New World Order groups here on earth.

Torture, rape and murder actually creates an energy that these negative entities feed on, known as “loosh” in the dark inner world of the Cabal.

These acts of torture, particularly on children, also create splits in the mind that can then be programmed to do things, hidden away under amnesic barriers.

At the same time, the Alliance resisting these negative forces is vastly bigger and more organized than most people realize, if they even know about it at all.

This Alliance also is working with positive extraterrestrials, at least once you explore the more deeply classified sub-groups working within it.

The Alliance has released multiple top films that attempt to shed light on mind control and many other aspects of the Cabal.

Most recently, this included *Captain America: The Winter Soldier* and *Captain America: Civil War*.

[UPDATE: If you are new to this research on the Alliance's influence on certain Marvel superhero films, [Cosmic Perspective on the Defeat of the Cabal](#) is mandatory: it is one of the best, most important things we've ever written.]

STAY TUNED FOR PART TWO!

This entire Part One was originally written as an introduction to a joint article I am developing with Corey Goode.

That article is almost finished and will be sent off for art direction, but I wanted to get this out first so you had time to process it.

We hope to have the rest done for you very soon. Stay tuned!

DISCLAIMER: Please do not harass the individuals or businesses listed here. Let the NYPD, the FBI and other legitimate law enforcement agencies do their work. This is very important. Thanks.

As one final word, check out this update David Seaman posted today about the media declaring this very significant case as nothing but "fake news."

This guy is on fire, very fluent, and with the precision and speed of a top attorney, he asks one extremely damning question after another— summarizing much of what we said here.

Boom! <https://www.youtube.com/watch?v=qGVSA2jjelo>

SYNCHRONICITY UPDATE, MINUTES LATER, SAME MORNING

This article has "gone viral" at an astonishing speed, reaching nearly 10,000 views in minutes.

I went in to make a small change and the repeating-number-pattern synchronicity phenomenon was staring me in the face once again.

The hit counter was at precisely 9555. Seconds later it had gone up to 9616, but I photographed it at this moment. It is the third number over from the right:

<input type="checkbox"/>	ENDGAME: Disclosure and the Final Defeat of the Cabal (Alias: endgame-pt-1)			David's Blog	0	Public	David Wilcock (Alias: David Wilcock)	2016-12-06	9555	All
--------------------------	--	--	--	--------------	---	--------	---	------------	------	-----

These things just happen without any effort, yet the phenomenon is remarkably consistent. It already occurred when photographing the BBC's attempt to make this all go away.

I see this as a very positive sign that we are being guided by the angelic forces we will meet in Part Two, which we are feverishly working on now.

After all this time, seeing this much real progress in the open world is a huge relief, despite the highly unpleasant nature of what we are learning.

UPDATE NEXT DAY, 12/7: 100,000 VIEWS IN LESS THAN A DAY AND A HALF!

We have just set a new record in the history of this site, thanks to you. Never before has an article broken 100,000 views in only 31 hours. We have officially gone viral.

This is not a "synchronicity time" as I've been watching it carefully to see when it would break. This clearly shows that the draconian censorship of all non-Establishment media is failing!

Please help do your part by spreading the word. All coverage of this sordid issue is under unprecedented attack from the Cabal's propaganda arms.

We know they are losing if they start tweaking Google and Facebook to prevent people from seeing anything on their hit list. Shouldn't you at least have the right to decide what you will believe for yourself?

I found out the Alliance is very happy with what we've done so far and we are getting positive pressure to finish the next part ASAP, so stay tuned!

UPDATE 12/8: THREE MORE NUMERICAL SYNCHRONICITIES ON THE HIT COUNTER AT 'RANDOM' MOMENTS

At 7:53 pm 12/7, I posted an update about the Olsen twins' rap song about pizza when they were still very young. It is very similar in its suggestive tone and content to the Teenage Mutant Ninja Turtles.

As soon as I made the update and checked it, the hit counter was at 111,345. Ascending number sequences count as synchronicity in the experiences I have had all these years.

I took a picture of it, saved it and then decided to check it again ten minutes later, since the hits were coming in so fast.

Now I was seeing 111,667. It was interesting that the second half was one number past 666, as if to say we are now moving past that time in our history — finally. The public is awakening and change is inevitable.

Like 7.7K people like this. Be the first of your friends.

The phenomenon of a number being “one above” or “one below” has often been used to convey messages where you are “almost there.”

This happened a lot when I was back in college, still getting into this stuff and had a lot of immaturity to work through.

I was able to understand that it could have been precise but was slightly “off” for a reason.

I wasn't sure if I would use this, and didn't bother to post it at the time. Just now I woke up and checked the hit counter again. There it was — an ascending sequence with another “one off” — 123554.

Like 8.3K people like this. Be the first of your friends.

Hits: 123,5

That was enough to get me to add these synchronicities to this article. I checked it seconds later just to see how fast it was going and it had already gone up to 564, so the timing on this stuff would have to be very precise.

Once I finished writing and editing everything, including the text below about the Law of One and was ready to close out, I had 124141, just to further convey the message:

ENDGAME: Disclosure and the Final Defeat of the Cabal (Alias: endgame-pt-1)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	David's Blog	<input type="text" value="0"/>	Public	David Wilcock (Alias: David Wilcock)	2016-12-06	124141	All
--	-------------------------------------	--------------------------	--------------	--------------------------------	--------	---	------------	--------	-----

The whole point is that I've just been living my life, working on Part Two and by no means 'trying' to do this, if that could even be possible.

I just check at what seems like natural times and there it is. It's been happening for most of my entire adult life in very strange ways.

I am about to take on a new book deal for an August 2017 release that will be called "Awakening in the Dream," and will cover the time in my life when all this really ramped into high gear and I began studying the Law of One.

As soon as I have a signed contract there will be much more to say. Right for now I am just very grateful that we are seeing such epic changes for the positive taking place.

UPDATE 12/11: CLICK HERE TO CONTINUE TO PART TWO!!!
